Can you all suggest a point of contact in Region 5? We will ensure this is included in the comments in FOIA Online so they know who to reach out to when it gets to them.

Thanks,

Tiffany

See below from Megan. This should be assigned to region 5.

I'm interested in Megan's feedback. My feedback is that this is better handled by Region 5, with assistance from Rhea's group and AQAD as appropriate.

Megan – can you confirm that this FOIA should be assigned to SLPG?

Hi Pam,

This is the request I mentioned to you. I was asked to share this case with our folks here to determine if it should stay with OCIR or be reassigned to us.

Thanks,
